

# Practical guidelines for EU project development

Bucharest, 23 November

Ivo Cré, Project Manager, Polis

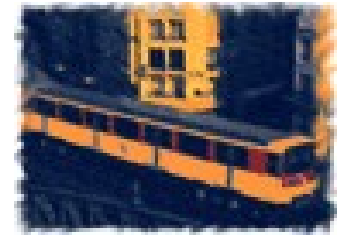

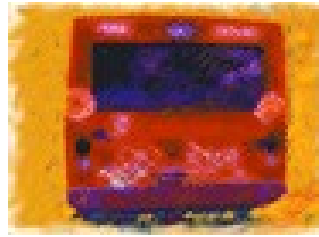

# Topics to be discussed

- Funding streams
- Information sources
- Suggestions

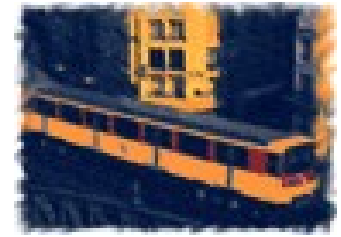

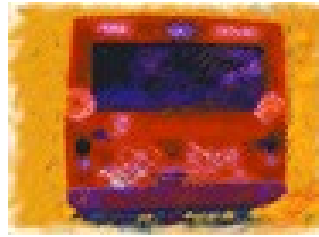

# Funding streams

- The 7th Framework Programme for Research and Development (7FP)
  - Including CIVITAS
- Structural funding (covered this morning)
- CIP (including Intelligent Energy Europe)

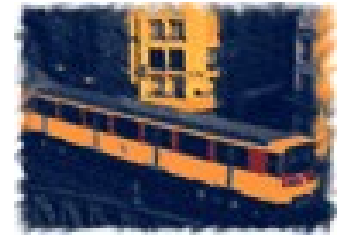

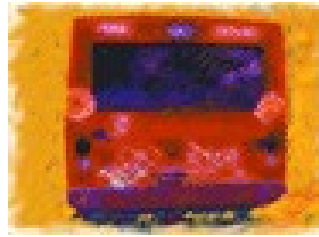

# 7FP – Relevant Activities

## Sustainable surface transport

- Ensuring sustainable and accessible urban mobility for all citizens (including) CIVITAS)
- The greening of surface transport
- Encouraging and increasing modal shift and decongesting transport corridors
- Improving safety and security
- Galileo and Egnos

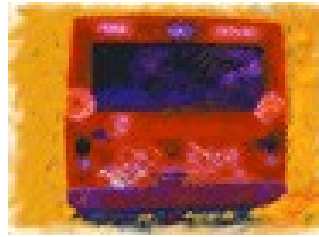

# 7FP-relevant activities

Information and communication technologies

- Mobility services for people
- Mobility services for goods
- Intelligent vehicles systems
- Cooperative systems
- Field operational tests
- Horizontal issues

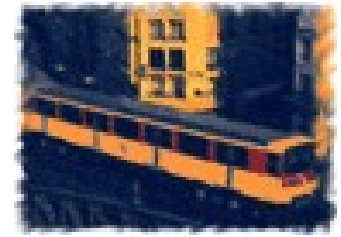

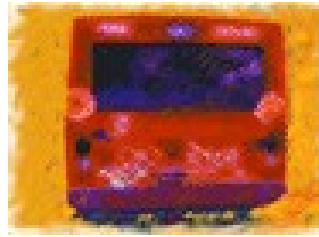

## Competitiveness and Innovation Framework Programme (CIP)

- Entrepreneurship and Innovation Programme
- ICT policy support programme
- Intelligent Energy-Europe Programme

- [www.infoeuropa.ro/](http://www.infoeuropa.ro/)
- [www.euractiv.ro](http://www.euractiv.ro)

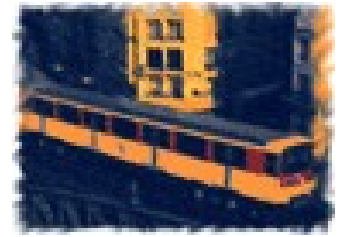

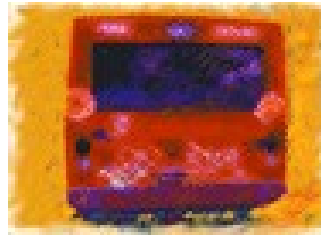

## Information Sources II

- <http://ec.europa.eu/energy/intelligent/ieea/>
- [http://ec.europa.eu/enterprise/enterprise\\_p](http://ec.europa.eu/enterprise/enterprise_p)
- [www.urtp.ro](http://www.urtp.ro)
- [www.polis-online.org](http://www.polis-online.org)

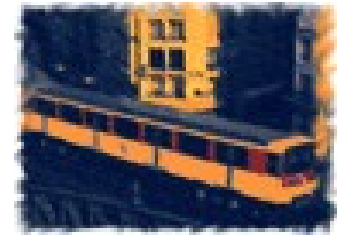

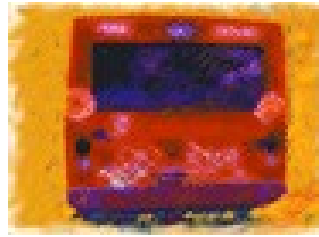

## Suggestions I

- **Don't do it if you do not want to do it anyway.**
- **Ensure high-level political commitment - and funding.**
- **Involve all relevant stakeholders appropriately.**
- **Think in policy terms.**
- **Set concrete and realistic targets - and plan evaluation.**

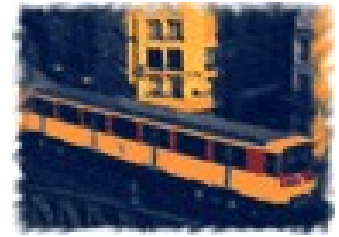

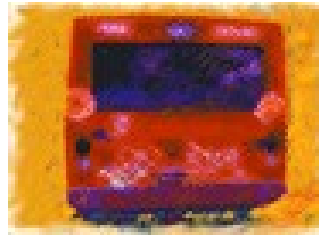

## Suggestions II

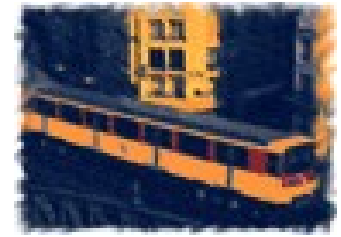

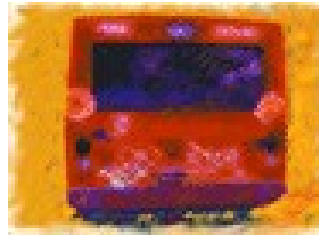

- **Develop a clear plan of action.**
- **Describe how to achieve the European added value.**
- **Manage expectations and be prepared for failure.**
- **Consider proposal as a (first) step to a new strategy.**
- **Start today - and do it professionally.**
- **Use your networks!**
